

# 2023 Wages Paid & Tax Payment Record

We recommend return of this information by January 16, 2024 to allow time to prepare your W2s by the due date of January 31, 2024.

**List all Wages Paid to Employees during 2023. If Employee is your child, please list age of child.**

If you made bonus payments to your employees, please be sure to include these payments in your payroll records. **Small gifts**, like turkeys, wine, or flowers are generally considered nontaxable *de minimus* fringe benefits (with low value, given infrequently). **Gift certificates (even small amounts)** are considered like cash and are taxable wages. So, the gift of a turkey is not taxable, but a gift certificate for a turkey is taxable. If you have questions, please give us a call.
